

# 【2024 Kaohsiung Fashion Awards】

## Design Competition Brochure

### A. Objective

The Youth Bureau of Kaohsiung has launched the 【2024 Kaohsiung Fashion Awards–KFA】 design competition to encourage young people’s involvement in the fashion design and creative industry. Development of the innovative industry is coupled with the creativity of fashion design to realize young people’s dream of a design venture and to develop Kaohsiung’s fashion design industry. The event offers a runway for the youth’s creativity and is presented in the form of a fashion show competition that combines interdisciplinary elements such as popular fashion and narrative performance. Related industries in Kaohsiung are connected to bring about the mutually value-adding effect of design and innovation through young people’s creativity in an interdisciplinary model, where fashion, music, and local life experience are consolidated to develop and invigorate Kaohsiung’s fashion design industry. Emerging fashion designers are also helped to get connected with the market and develop their advantage for employment, thereby promoting talent matchmaking and achieving the goals of cultivating the talent and marketing the industry.

### B. Organizing Units
